The Japan Business Society of Detroit
are pleased to present

Japan's Automotive Industry Achieving Recovery and Growth Through Monozukuri

Thursday, December 8, 2011
Suburban Collection Showplace
46100 Grand River Ave
Novi, Michigan
11:45am – 5:00pm

The Great East Japan Earthquake spurred an unprecedented recovery effort from the Japanese automotive and manufacturing communities. Through intensive collaboration and the shared mindset of *Monozukuri* - the spirit and quest for manufacturing excellence - Japanese automotive suppliers and OEMs managed to quickly recover production in the face of crisis.

This seminar will offer perspectives from Japanese OEMs and parts suppliers on how they were affected by the March disaster, how crisis and recovery management played out both in Japan and the US, and on the future prospects for growth and opportunity.

自動車産業を中心とする日本のものづくり産業は、震災・津波により大きな被害を受けたものの、驚異的な復興を遂げつつあります。この復興を支えるベースには、共有されたものづくりマインドをもとに企業、産業の枠を超えた強力な相互支援があり、まさに日本のものづくりの底力を発揮しています。本セミナーでは、今後日米自動車・同部品業界の絆とコラボレーションをさらに深めることを目指し、日本の自動車メーカーとしてトヨタ自動車、日産自動車、部品メーカーとして、ケーヒン、豊田合成に、被害状況、日米での復興の様子、今後の展望、課題と対応等について講演いただきます。（日英同時通訳付）

Advance [online registration](#) is required for this event through the Original Equipment Suppliers Association (OESA). For registration information, contact Felece Hickman at OESA at 248-952-6401 ext 237 or fhickman@oesa.org. The cost of the luncheon seminar is \$50. The program will begin promptly at 11:45am.

For program information or media inquiries, contact Kevin Kalb at JETRO Chicago: 312-832-6023 or Kevin_Kalb@jetro.go.jp. (<http://www.jetro.org/novimz/>)
